

A pair of hands, palms facing each other, holding a small, detailed world map. The map is spread across the palms and fingers, with the word "WORLD" printed in large, bold, black capital letters across the center of the left palm. The map shows continents in various colors (yellow, green, blue, orange, purple) and includes labels for major countries like Canada, United States, Brazil, and others. The hands are positioned as if presenting the map. The background is white, and there are orange decorative elements at the top and bottom edges of the page.
